Dear

Congratulations on your recently announced engagement!

I know that you are so very excited about your engagement and upcoming wedding. You will treasure these moments for your lifetime!

You have probably used Tupperware all your life and are now looking forward to setting up your very own kitchen and you want Tupperware to be a part of it. I am delighted to acquaint you with a type of Bridal Shower that Tupperware offers.

A Tupperware shower is just like other showers in that the hostess invites your friends and provides the refreshments, but I do the rest. I provide corsages, invitations, games and party gifts. This allows your shower host to enjoy the shower as an attendee and removes a lot of the work for her!

There are various ways the shower can be handled and I would love to take the opportunity to talk with you about them. You, the Bride can also receive the "Thank You Gift" and the Hostess Gifts. Right now Hostesses are earning \$_____ of Tupperware for _____!

Please give me a call under no obligation to you. I would love to help you and your friends plan a very special shower for you. I also provide an on-line Tupperware Bridal Registry.

*I look forward to planning the perfect event, just for you!
Sincerely,*
