

Incredible!

How to have an Incredible party!

Hi! I am so excited for this opportunity to “shower” you with great gifts and great discounts for your guests!

Incredible parties are as easy as . . . one, two, three! We begin by setting our minds to achieving a \$1,000 party! *We will do it together!*

1. **Invite 40+ people!** I need your guest list ASAP! Invite everyone you’ve known since Kindergarten! **Don’t hold back** - friends, relatives (yours and your significant other’s), neighbors, co-workers, church friends, business contacts – and the list goes on! The more we invite – the more guests we will have.
2. **Call everyone right now and invite them personally.** People are busy these days— but they want to spend time with their friends! Let them know how much you really want them at your party. Encourage them to bring “an adult friend that loves and uses Tupperware”!
3. **Work on outside orders!** If they can’t join us at our party – ask if they would like to place an order to help with your party goal! Outside orders add up – and increase the amount of Tupperware and bonuses you will receive. Strive for \$150 or more in outside orders. Ask some of the people you know to pass a catalog around and collect orders for you. Ask your Mom, your best friend, your favorite relative, your neighbor, etc. (Call me if you need more catalogs and order forms!) They can also visit my website at www.my.tupperware.com/_____  send you their order! (don’t have them place it online, it won’t count for your party)
4. **Find 2-4 “Collecting Buddies”** Someone who is not interested in scheduling a Tupperware Event of their own, but is willing to collect orders (with payment) for you by the night of your party. When your “buddy” collects \$150 in outside orders, I will give them a fabulous dating gift, just like you received!
5. **Utilize my Reminder Call Service!** Provide me with your guests’ phone number. I will call them the day of the party. I will simply leave a message (during the day) to remind them of your party that night! *The phone number will not be used for future solicitation, only as a service to remind your friends!* They appreciate receiving a reminder and this will double your attendance.

There you have it - The blueprint for a **Incredible party!** When you call your guests right away and personally invite them - we will have approximately 10-12 guests at your party. From the invites that can not come - we could have \$200 or more in outside orders - and that’s not including the orders from those that are gathering orders for you. Ask your friends to host their own get together and earn free gifts, too.

Join me in Tupperware as a consultant and you can have an **Incredible Income!** I want you to have all that Tupperware offers. Ask me about our **“Incredible Opportunity”**, I want to share with you!

Now Relax & have Fun! It’s my turn to do the rest!
Thank you!
