Welcome to a new Opportunity!

Earn extra income while offering products that help your customers live healthier, get better organized, save money and safeguard the environment. Just follow these 3 easy steps.

1 Start Today

If you made a birthday wish, what would you wish for? Added income? More flexibility? Or maybe more time for family, friends and fun?

You don't have to wait until it's your birthday to dream big, and make that dream come true! This month we're celebrating Tupperware's "60 plus" birthday. That means everyone gets to celebrate! You can do it no matter how young—or young at heart—you are.

First, select a kit that fits you. Both the **Executive Business Kit** and the **Business Kit** include Tupperware® products, supplies and training material to get you started and hold your first 3–5 parties.

NEW!

You're in business for yourself—but not by yourself! Your Manager and Director are there to help you every step of the way.

"Say Yes" Offer

Show your customers how transporting cakes and baked treats is a piece of cake with Tupperware! Start your business during May 1–28 and you can add the **Round Cake Taker** to your demonstration kit for \$5 U.S./\$10 CAD.

Activation Challenge

Receive two exclusive **Cupcake Keepers** FREE when you start your business during May 1–28 and achieve \$450 U.S./\$550 CAD in personal sales during your first 30 days. That's one average party! (National party average is \$450 in the U.S. and \$550 in Canada.)

Double up with two or more average parties! Achieve \$900 U.S./\$1,100 CAD in personal sales during your first 30 days and you'll qualify to add the **Squeeze-It™ Decorator** FREE! Add fillings to pastries and pastas, stuff eggs and create unique food garnishes like a pro at your party demonstrations or at home.

Think three average parties for a fabulous demo product! Achieve \$1,350 U.S./\$1,650 CAD in personal sales during your first 30 days and you'll qualify to add the **Serving Center® Set** FREE! Use it at parties to show customers a great way to serve vegetables, sundae toppings, seafood and more.
